

Coastal Glass Distributors

Coastal Glass Distributors is proud to announce our certified fabricator agreement with Joel Berman Glass Studios. We will be stocking and fabricating the new Berman Glass editions in 6mm and 10mm. There are currently 2 patterns to choose from, Ima and Etre, with new patterns coming out in 2004. We have also added the St. Gobain Master Series and 5 new saten etched patterns from Sevasa. Including the full line of Pilkington Textured Glass, this brings our selection of glass to over 50 different types. Please visit our website to view all our products and capabilities.
